## Finals Bracket and Bye Breakdown:

- For each squad, the leader will receive a 2-round bye in the bracket finals.
  - For each squad, the runner-up will receive a 1 round bye in the bracket finals.
  - Outside of squad leaders, the overall top 28\* scores will be seeded for the first round of the bracket finals (excluding desperado squad- only the top 2 from this squad can advance). If no senior bowler (50+yrs old) or woman makes the finals based on their score, the top senior and woman will be seeded into the first round of the finals as the two lowest seeds. Their respective positions will be determined by overall score.
  - If ties occur: Leaders will be decided based on high game. For the cut to the Finals - it will be a 9/10th frame roll off.
  - First round of finals: Top 28\* scores (including top senior and woman, if applicable), excluding squad leaders, will face-off in head-to-head, 2-game total pinfall, bracket style play. Seeding will be determined on qualifying scores.
  - Second round: The remaining 14 bowlers plus the 6 squad runners-up will be re-seeded based on qualifying score. The runner-up in the desperado squad will be lowest seed. Bowlers then face-off in head-to-head, 2-game total pinfall bracket-style play.
  - Third round: The remaining 10 bowlers plus the 6 squad leaders will be re-seeded based on qualifying score. The leader in the desperado squad will be lowest seed. Bowlers then face-off in head-to-head, 2-game total pinfall, bracket style play.
  - Subsequent rounds: After the third round, 8 bowlers will remain to face-off in head-to-head, 2-game total pinfall, bracket style play until 1 is victorious. The final seeding for the fourth round will be determined by total score from third round.
